Saturday, February 2, 2019, 9:30 AM-4 PM

Holt Hall, Room 129 at CSU Chico

Using graphite, draw fall seeds, pods, or leaves. Botanical Illustrator, Joan Keesey, will lead this one day workshop which will concentrate on accurate botanical drawing and graphite techniques. Bring current work or start something new. Joan will provide plant materials, but if there is a specific subject you would like to tackle, please bring it along.

Joan's interest in botanical illustration began in the sixth grade when she had a wonderful teacher who taught her class to watercolor pansies and roses with great success. Vacations in the Sierra Nevada inspired her to illustrate California native plants. She has had two solo exhibitions at the Theodore Payne Foundation for Wild Flowers & Native Plants, and in 2015 she won first place in a California Native Plant Society Exhibition. Her work has been included in Botanical Art exhibitions at Filoli in Woodside, CA and in American Society of Botanical Art International Exhibitions in New York.

Registration for the workshop is \$40 (\$30 for students and members of Friends of the Herbarium). Please register in advance. Class size is limited to 16 participants and will be cancelled without a minimum of 5. Older children are welcome to register. For more information about the workshop please contact Joan Keesey and keesey1@verizon.net. For information about registration or directions or to register with a credit card, contact the Biology office at (530) 898-5356 or sscholten@csuchico.edu.

You are welcome to borrow materials if you would like to try things out before making purchases; otherwise, **please bring the following:**

- Lead Holder:** Koh-i-noor, Staedtler, Mars, or Alvin.
- Lead:** 2mm slim cylinders of graphite for lead holder: F & HB.
- Lead Pointer:** Handheld rotary sharpener.
- Eraser:** Pentel "Clic" or similar brand with a cylinder of plastic erasers.
- Tracing Paper:** Pad of 9" x 12" tracing paper.
- Draftsman's Duster:** Any soft wide brush.
- Paper Support:** Clipboard or piece of foamcore.
- Paper:** The instructor will supply drawing paper and lead.
- Lunch:** Please bring lunch.
